Who should attend?

Chief information officer

Chief digital and information officer

Chief digital and technology officer

Senior IT leaders

Security and risk management leaders

Data and analytics leaders

Infrastructure, operations and data center leaders

Application leaders

Here are the top 5 reasons you should attend the conference as a team:

Foster team-building

Attending Gartner IT Symposium/Xpo™ 2025 conference is an excellent way for organizations to nurture collaborative team building and strengthen company culture. The conference environment allows for more relaxed and natural interactions, inspiring shared excitement and passion around work-related topics.

Focus on professional growth

Gartner IT Symposium/Xpo™ offers a unique opportunity for learning unlikely to occur in your everyday work environment, whether in the office or working remotely. Your team can develop new skills, catch up on the latest trends, spark inspiration, rekindle passion, hear from experts and more.

There is something for everyone

Gartner IT Symposium/Xpo™ conference experience provides sessions aligned to roles across IT leadership, technology innovation and business strategy. These sessions are optimized to help your team achieve stronger performance on your organization's mission-critical priorities.

Discover technology solutions

Get buy-in from your entire team when you evaluate your technology needs together. Meet on-site with a Gartner expert to receive tailored guidance on your most pressing challenges and assess numerous solution providers with the help of your team.

Enjoy our Group Rate Discount

Bring your team to save on your learning as a group. We understand that attending a conference can be a significant investment for your organization, which is why we offer a Group Rate Discount. For more information, [visit here](#).

“

“Gartner IT Symposium was invaluable for my team and me. We gained insights into trends, technologies and best practices backed by Gartner research. The sessions provided actionable strategies, and networking connected us with top professionals and vendors. A great investment in our growth and innovation.”

Vinod Khode, CIO, Varroc
