

Gartner Data & Analytics Summit

March 9 – 11, 2026 | Orlando, FL
gartner.com/us/data

Step into your new role with confidence at Gartner Data & Analytics Summit.

Are you stepping into a new data or analytics leadership position? **Gartner Data & Analytics Summit in Orlando** offers focused New To Role sessions to help you chart a clear path, accelerate your impact and avoid common pitfalls. Join peers and industry experts to sharpen your strategy and leadership skills from Day 1.

Featured New To Role sessions

- **Accelerating First-Year Success as a CDAO: Strategies for Executive and Functional Leadership Impact:** Get practical insights for your first year — whether you're new to the CDAO role or new to the organization. Learn how to make an immediate impact and lay a strong foundation for long-term success.
- **Advance Your AI Strategy for Success in an Era of Constant Change:** Explore how to move beyond AI theory and drive real business value — transforming AI from a promise into a competitive advantage for your organization.
- **AI Governance: How to Design an Effective AI Governance Operating Model:** Discover how to structure governance models that inspire trust, ensure transparency and support effective oversight of AI initiatives.
- **How to Design an Effective D&A Operating Model:** Master the essentials of designing a unified, configurable operating model for your data and analytics teams — balancing agility, speed and consistent execution across all initiatives.

Join the Chief Data & Analytics Officer Circle Program

Are you a CDAO or the most senior AI leader in your organization? Apply to become a part of this exclusive program, tailored for executives like yourself. Participate in interactive discussions, connect with peers and accelerate your strategies: [Learn More](#)
