

Creating a Workplace 2025 Roadmap

Industry: Materials & Technology
Revenue: Approx. \$10 Billion+
Employees: 50,000+

Mission-critical priority

Facing a cost-reduction mandate, the Divisional VP needed to create a Workplace 2025 Roadmap to maximize ROI.

How Gartner helped

The client used:

- **Used Gartner Finance Score for Corporate Real Estate** to identify cost-saving opportunities
- **Used space utilization benchmarks** to quickly execute key initiatives for optimizing space utilization
- **Leveraged employee assessment surveys** to measure employee satisfaction levels

Outcome

With support from Gartner for Finance, the client:

- **Optimized the corporate real estate portfolio** and identified cost reduction opportunities
- **Increased productivity and satisfaction** by using quantifying employees experience and satisfaction levels
- **Used expert guidance** to develop a clear action plan for executing on the identified CRE priorities
