

An HR Strategy Built for Global Disbursement

Industry: Consulting
Revenue: Approx. \$200 Million
Employees: 1,000+

Mission-critical priority

Being new to the organization, the CHRO at this midsize consulting firm needed to quickly ramp up and confidently implement an HR strategy to transform the function, unite the organization and support future growth.

How Gartner helped

The client used:

- **Gartner Future of Work insights** to educate her team on changing HR digital realities and prepare for the future of work
- **Gartner benchmarks and tools** to measure HR effectiveness, maturity, strengths and gaps
- **Gartner Executive Partner support** to secure buy-in for immediate roll-out of a brand new HR strategy

Outcome

With support from Gartner for HR, the client:

- **Built credibility with the C-Suite** and a 50-person HR team within 90 days of being in seat
- **Created a successful new HR strategy** to better serve organizational global business goals
- **Equipped her function for the future** of changing digital realities
